

Fitch affirms Northwestern Mutual's AAA rating, highlights its competitive position, strong balance sheet and stable earnings

MILWAUKEE, Nov. 15, 2016 /PRNewswire/ -- Fitch Ratings has affirmed Northwestern Mutual's AAA financial strength rating, the highest possible rating from Fitch.

"Northwestern's ratings reflect its leading competitive position in the U.S. individual life insurance market, extremely strong balance sheet fundamentals and stable earnings profile," the ratings agency said.

The rating underscores our strong financial position, careful expense management and ability to meet policyowner commitments.

Favorable results

"Fitch views Northwestern's successful distribution system, large and stable block of traditional life insurance, and expense advantage relative to peers as key competitive advantages," the agency said.

Despite the continued low interest rate environment, Fitch described our results as "favorable."

"The historical stability of Northwestern's earnings can be attributed to low expense levels and favorable mortality, and persistency results of its life business," Fitch said.

Best ratings

With this latest affirmation, Northwestern Mutual continues to have the highest financial strength ratings awarded to any life insurer by all four of the major rating agencies: A.M. Best Company, A++ (highest), May 2016; Fitch Ratings, AAA (highest), November 2016; Moody's Investors Service, Aaa (highest), July 2016; and S&P Global Ratings, AA+ (second highest), June 2016.
