

A.M. Best affirms Northwestern Mutual's A++ rating; highlights continued financial strength

MILWAUKEE, May 15, 2017 /PRNewswire/ -- Northwestern Mutual announced today that A.M. Best Company has affirmed its A++ financial strength rating, the highest possible rating from the agency. The rating reflects Northwestern Mutual's strong financial position, sound operating fundamentals, and ongoing ability to meet policyowner commitments.

"Receiving the highest ratings from agencies such as A.M. Best recognizes our strong financial footing, which helps us create the financial capacity to pay dividends and give policyowners the assurance we'll be here for them to deliver on the promises we've made," said Todd Jones, vice president and controller.

The rating company affirms Northwestern Mutual delivers "consistently profitable operating performance and supportive risk-adjusted capitalization, along with a well-developed enterprise risk management program," A.M. Best said in its news release. "The growth and stability of its in-force business, combined with Northwestern Mutual's focus on favorable investment and underwriting and its strong commitment to the life insurance market, have enabled the group to generate a steady stream of operating earnings from traditional whole life insurance, which A.M. Best views as highly creditworthy on its product continuum scale."

Measures of strength

A.M. Best noted that Northwestern Mutual's dividend payout to policyowners remains competitive due to strong mortality experience. The agency also noted the strength of Northwestern Mutual's exclusive distribution system of financial professionals, leading market position, strong policyholder persistency, and strong persistency among financial representatives and advisors with five or more years of experience.

Consistent best ratings

With this latest affirmation, Northwestern Mutual continues to have the highest financial strength ratings awarded to any U.S. life insurer by all four of the major rating agencies: A.M. Best Company, A++ (highest), April 2017; Fitch Ratings, AAA (highest), November 2016; Moody's Investors Service, Aaa (highest), January 2017; and Standard & Poor's, AA+ (second highest), June 2016. Third-party ratings are subject to change. Ratings are for The Northwestern Mutual Life Insurance Company and Northwestern Long Term Care Insurance Company.
