

## Notice to Maryland Customers

Effective March 5, 2021, the Maryland Insurance Administration has requested that insurers inform policyholders of the Insurance Administration's February 16, 2021 "Consumer Advisory" regarding USPS mail delivery delays. There is the potential that bills and premium payments may not be delivered on time by the USPS. The Maryland Insurance Administration has outlined steps in its advisory that you can take to protect yourself. Please contact us if you believe your policy or contract has been affected by a mailing delay.
