About the *Forbes* Top Women Wealth Advisors Best-in-State List

Forbes recognizes the top women advisors in America based on a set of qualitative and quantitative criteria, including in-person interviews, best practices, service and investing models, compliance records, revenue trends and assets under management. All advisors have a minimum of seven years' experience. Portfolio performance is not a criterion due to varying client objectives and lack of audited data. Neither *Forbes* nor their research partner – SHOOK – receive a fee in exchange for rankings.
