

Notice to Tennessee Customers

Northwestern Mutual extends its support to families and businesses affected by the wildfires in Tennessee. Northwestern Mutual and Northwestern Long Term Care are reinstating any Life, DI, and LTC policies with payers in Sevier County which lapsed due to non-payment of premium since 4/20/22. In addition, we will suppress lapse notices and prevent lapse of Life, DI, and LTC policies with payers in these counties due to non-payment of premium through 6/19/22, as required by Tennessee's Department of Insurance. If an insured impacted by the wildfires requests a copy of his or her insurance policy (e.g., due to loss), a copy shall be provided at no cost to the insured.
