

Northwestern Mutual Will Help Nearly 2,000 Additional Milwaukee Students Enroll Over the Next Few Years, Advancing Quality Education in the City

Additional commitment of \$5.7 million to support 40 Milwaukee-based nonprofits and schools, a bridge loan to Notre Dame School of Milwaukee for expansion of campus, as well as two grants supporting St. Marcus School and St. Augustine Preparatory Academy

MILWAUKEE, Wisc., Aug. 22, 2023 – Northwestern Mutual has long been committed to investing in high-quality education to help close the opportunity gap for Milwaukee-area students. Over the last 25 years, the company has contributed more than \$60 million to support these efforts. Today Northwestern Mutual is committing to an additional \$5.7 million to support 40 Milwaukee-based nonprofits and schools, which includes a bridge loan to Notre Dame School of Milwaukee and two capital grants to St. Marcus School and St. Augustine Prep. This will help to add an additional nearly 2,000 quality seats to classrooms over the next few years by expanding school campuses.

“Education is a core pillar to the work that we do at Northwestern Mutual. Milwaukee is home to a great number of talented students, and we want to continue to provide them with the foundation for a quality education and opportunities for career advancement,” said Steve Radke, president of the Northwestern Mutual Foundation. “We are thrilled so many additional students will have the opportunity to benefit from the education of these three schools.”

Notre Dame School of Milwaukee, St. Marcus School, and St. Augustine Preparatory Academy are high-performing schools serving students from some of the company’s partner neighborhoods within Milwaukee and recipients of the company’s financial support.

The [Northwestern Mutual Foundation](#) is investing in a \$2 million bridge loan to Notre Dame School of Milwaukee to help purchase a third campus and increasing the number of high quality education seats, which will serve more than 300 students at the school’s new building over the next few years. The two grants will be issued to St. Marcus School and St. Augustine Prep with \$450,000 and \$225,000, respectively, adding capacity at the two schools.
