

Notice to Tennessee Customers

Northwestern Mutual extends its support to families and businesses affected by severe weather and flooding in Tennessee. Northwestern Mutual and Northwestern Long Term Care are reinstating any Life, DI, and LTC policies with payers in Dickson, Hickman, Houston and Humphreys counties which lapsed due to non-payment of premium since 8/21/21. In addition, we will suppress lapse notices and prevent lapse of Life, DI, and LTC policies with payers in these counties due to non-payment of premium through 10/20/21, as required by Tennessee's Department of Insurance. If an insured impacted by the severe weather and flooding requests a copy of his or her insurance policy (e.g., due to loss), a copy shall be provided at no cost to the insured.
